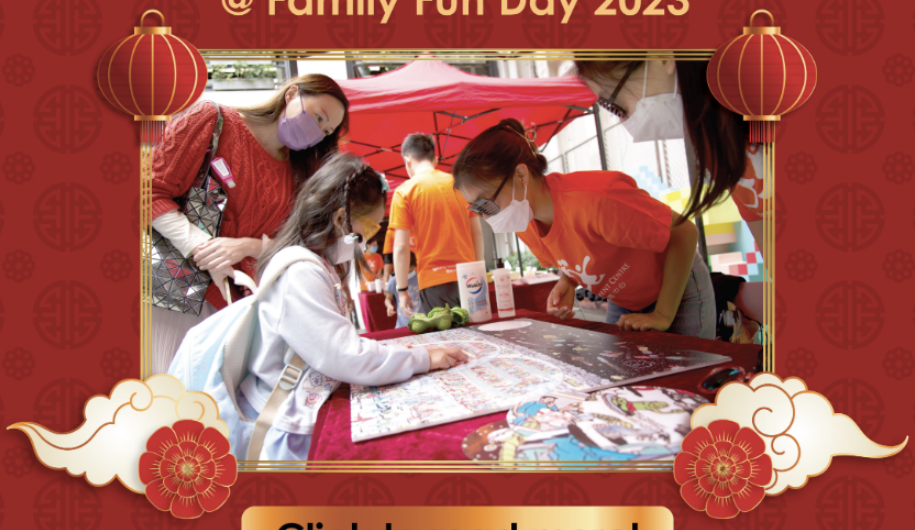
Promoting an Inclusive Community @ Family Fun Day 2023



Click to read more!

Welcome to our first newsletter of 2023! Wishing all of you a very happy and prosperous Year of the Rabbit! May the year bring you and your family and friends happiness, wealth, longevity and good fortune!

In this Lunar New Year special edition, we would like to share with you the recap of our Family Fun Day held on 15 January 2023! Please click here to read about the highlights of this impactful event. We also have some useful SEN Tips for you further below, so don't forget to scroll down and check them out!

Amongst all the Lunar New Year festivities, spare a thought for children in need of early intervention services. If you would like to give a 'red pocket' to support a child with additional needs, please consider donating to the CDC here or click the image below!

Furthermore, remember to scroll down to the 'Offers from our Partners' section to read about YAMA Foundation's Yoga Therapy Subsidy Scheme, as well as to the 'Upcoming Events' section to check out what activities or events we have in early 2023!

Lastly, a gentle reminder to all CDC families - our Lunar New Year holidays will cover the period of 20 to 26 January 2023. We wish everyone a warm holiday and look forward to seeing our families again from Friday, 27 Jan 2023, onwards!

Best Regards,
Team CDC

HAPPY LUNAR NEW YEAR!

SEN Tips

Why is Visual Perception Important to Children?

Visual perception is necessary for reading, writing, and movement. A child with even mild difficulties will struggle with learning in school and in other areas of life. Read the article now to get tips that help improve your child's visual perception!

Children's Hidden 8th Sense - Interoception

Interoception is a hidden 8th sense that allows us to answer the question “How do I feel?” When your child reacts negatively to a situation, it may be due to a misinterpretation of their bodies’ signals and not “bad behaviour”. Learn more about how you can help your child understand their hidden sense!

Offers from our Partners

YAMA’s Yoga Therapy Subsidy Scheme

YAMA Foundation’s Yoga Therapy Subsidy Scheme offers subsidised services to children and young adults with disabilities and special needs who receive little to no other therapeutic support. Click to find out more details and sign up!
