

Igniting Learning Journeys
啟育學習旅程

Dear Friend of CDC,

Happy Easter in advance! We hope you and your family have been keeping well and healthy, and will have an enjoyable Easter break together soon! At the CDC, the Easter holidays start from next week and run till 7 April (Wednesday). In the meantime, we've got plenty of updates for you!

We're always on the look out for ways to improve the CDC. Following our parent survey, we've analysed and evaluated the results and compiled a report on [Parent Survey Feedback 2021](#), discussing some of the issues raised and our actions in response.

Also, we're excited to tell you about an event happening this weekend - tomorrow in fact! To raise funds for the CDC, four students will challenge themselves to complete the 100km MacLehose trail. Read our press release of the event [here](#). The South China Morning Post (SCMP) recently interviewed the four students too! Read the full article [here](#). And to make a donation to support the students, find their SimplyGiving funding page [here](#).

Additionally, this weekend, the CDC will be participating in the [SCMP Virtual Learning Festival 2021](#). You can have a look at some of the other events below too, and don't forget to check out our brand new SEN Tips as well!

Stay safe and healthy!
Team CDC

In the News

Press Release: 100km MacLehose Charity Hike

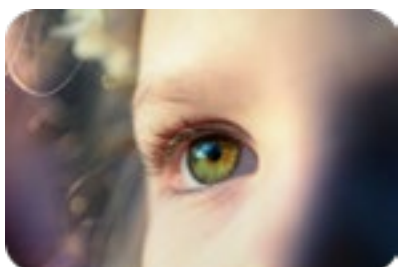

From 27 to 29 March 2021, four students will challenge themselves to complete the longest trail in Hong Kong – the 100km MacLehose trail, to raise funds for the CDC!

SEN Tips

What is Suck-Swallow-Breathe Synchrony?

Find out exactly what is 'Suck-Swallow-Breathe Synchrony', why it is important and discover a list of activities your child can do to strengthen their synchrony.

How do I know what they are thinking about? (Theory of Mind)

Learn how, with simple examples, you can encourage your child to develop their thinking with the 'Theory of Mind' concept!
