New CDC Centre Opening!
Victoria Centre, Fortress Hill

Great news for our families and supporters in this newsletter! After months of preparation and anticipation, the CDC has relocated from Wan Chai to a new learning centre in Fortress Hill - Address: **Unit 7, 4/F, Victoria Centre, 15 Watson Road, Fortress Hill, Hong Kong**.

With an amazing view of Victoria Harbour, the new centre has bright and colourful classrooms, motor- and speech therapy facilities, cabinets filled with specialised toys and teaching resources, and direct access to the East Coast Park Precinct at the harbourfront. To find out how to get here, click here to check out this video. We are waiting for you! We are most grateful for the generosity from our donors that made the new centre a reality for the CDC community.

To celebrate the opening of our new centre, we are offering some special promotions for both families and kindergartens/ schools. For more details, scroll down to the **'In the News'** and **'Offers from our Partners'** sections. Also, don't miss out on this issue's **'SEN Tips'** to learn how parents can help their child make new friends and maintain positive behaviours.

Lastly, do remember to check out the **'Upcoming Events'** to save the dates if you are interested in joining some fun and educational events with your family.

Happy Autumn, everyone! May the season be a harvest of joyful times for you!

In the News

CDC Family Beach Sports Day (19 Nov)

A fun sports day with the CDC and Minisport HK at Repulse Bay Beach! There will be party games promoting endurance, cooperation, play, friendship and social skill development. Please refer to email sent earlier from us to sign up! *(This event is for CDC families only.)*

Book 4 sessions, get 1 extra free!

To celebrate the opening of our new centre, from now till the end of this year, when you enrol your child in 4 paid trial sessions of a new programme, you will get an extra free session of another programme. Contact us now to know more about this time-limited offer.

Outreach SEN Workshop for School Staff

We offer kindergartens and primary schools an introductory workshop about strategies to better support children with learning needs and address parents' concerns. Contact us before the end of December if you want to know more and book a timeslot for the 2023/24 school year!

SEN Tips

How to Help Your Child Make New Friends?

One of the challenges for school-aged children could be learning how to make new friends. Is your child worried about being rejected or do not know how to greet their peers? Here are some tips for you to support them to make new friends!

Behaviour Management for Children at Home

The behavioural management tips in this article will help you maintain your child's positive behaviours as well as manage undesirable ones! Let's follow these constructive steps to guide them towards more appropriate ways of behaving.

Offers for CDC Families
