

Igniting Learning Journeys
啟育學習旅程

Dear Friend of CDC,

It's nearing the end of the 2017/18 school term! As we await the summer programmes in July and the new school term in August, it's time to look back and recap on things over the past few months.

Earlier this month, we hosted our major annual fundraising event, the [Daddy Daughter Ball](#). We've also added our Annual Report 2016/17 to the website! If you haven't seen it yet, click [here](#).

Along with the usual CDC news updates, SEN tips and upcoming events, we're also featuring a very special article in this month's newsletter! It's our first 'CDC Stories' article, where we feature the story of Ethan, a child who was diagnosed with autism at the age of three. Read about [his story](#) - the obstacles he and his family faced, and his successful journey into a mainstream primary school!

Hope everyone has a spectacular summer break!

Team CDC

In the News

[Daddy Daughter Ball 2018!](#)

The 9th annual Daddy Daughter Ball was successfully held on 9 June 2018 at the Grand Hyatt Hong Kong! Click the link to find out more about the event!

[Download our Annual Report 2016/17!](#)

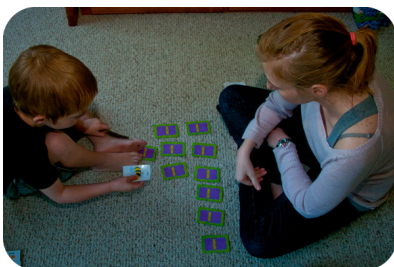

Our Annual Report 2016/17 is out now! Download to recap all CDC's highlights over the 2016/17 financial year.

SEN Tips

[Summer Fun](#)

As the weather heats up and summer is approaching, there's no better place to go than the pool or the beach. Did you know that you can embed language in to these two activities?

[5 Misconceptions about ABA](#)

Bubbles and rubber ducks are bath time favourites for many children. But, did you know that you could use these and many other toys to work on your child's language skills?

[Develop Cognitive Skills Through Cooking](#)

Bring your child to the kitchen and learn through cooking! Cooking is an interesting and multi-sensory activity. It helps children of all ages develop cognitive skills and abilities. Find out how in the article!

Upcoming Events

CDC Parent Courses:

- 17 August - CDC Parent Orientation & Open House
- 18 August - Start of New School Term
- 1 September - Start of Private Individual Therapies
